Dedication

Mr. Awdycki

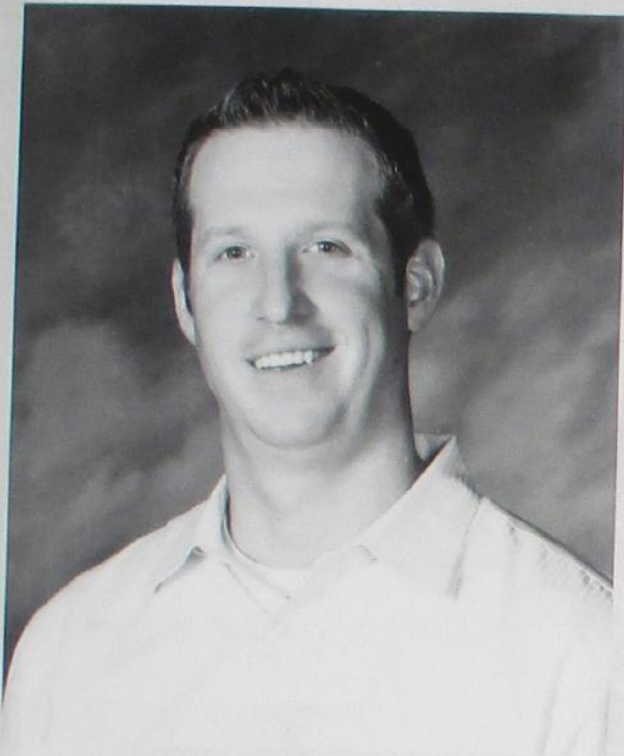

Mrs. Warren

Mr. Awdycki is one of our guidance counselors at Millis High School, and we are lucky to have someone as amazing as him to work with us! As busy as Mr. Awdycki is, he always devotes time to us, whether it's to discuss college plans or to just talk about what's going on. Mr. Awdycki is one of the most caring faculty members in the high school. He truly cares about the students and wants to help us achieve our goals. You will never see Mr. Awdycki without a smile on his face. His upbeat and cheerful personality radiates positive vibes throughout the school. He is an amazing person, both inside and out, and all students can agree that Mr. Awdycki is a great influence on us. His kindness and enthusiasm makes him such a likable person that students can look up to. We are all very thankful for all that he does to help us each and every day. Mrs. Warren is the second half of the dynamic duo of guidance counselors here at MHS. We've all known her since we were freshmen, and her ever-present smile never fails to cheer us up when we walk by her in the hallways. She is one of the most devoted members of the faculty, and takes time out of her already busy schedule to help us work through social and academic issues. She offers some of the best advice you can receive. The thought of going on to college, or whatever else our futures hold, and not having Mrs. Warren right down the hall is just as frightening as it is sad. However, we know that Mrs. Warren's guidance and influence we've garnered over these last four years will stay with us for the rest of our lives. Our appreciation and gratitude is too immense for words, but we want Mrs. Warren to know how thankful we are to have had her as a guidance counselor. We love you, Mr. Awdycki & Mrs. Warren!

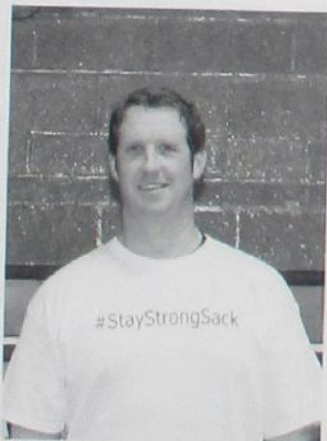

Special Thanks

Mr. Phinney Senior Class Advisor

As our class advisor, we thought it was only right to dedicate a page to thank the one and only Mr. Phinney. We began building our relationship with "Phin" during our freshman year health class, and he has been with us ever since. Every step of our high school journey, from fundraisers to event planning to our first breakfast as seniors, Phinney has been by our side. He has helped our class get from the first day of freshman year to graduation day as smoothly as possible, and he was always there to give us advice along the way. Whether we needed to talk about an issue regarding the grade as a whole or regarding a personal matter, Mr. Phinney would always do his best to give an honest answer. Next year will be tough without you, but we wanted to thank you for putting up with us and helping us out these last four years. We love you, Mr. Phinney!

Sincerely, the Class of 2014

Administration

Your journey through the Millis Public Schools is coming to an end and I have had the privilege of watching you grow into individuals with great character, much knowledge and creativity, a willingness to take risks and then persevere that will take you far in life. Your time here is full of accomplishments due to the hard work you put into everything you do, from athletics to robotics, from the sciences to the arts, from volunteer work to political activism. You have won awards in TV Production, Art and Music; have performed wonderfully in theater and dance productions; have created amazing computer games and are attending many highly ranked colleges and universities in the Fall. Some of you may join the workforce rather than attend higher education but I am confident that whatever you choose to do in life, you will choose something that makes the world a better place and bring the satisfaction and true happiness that only doing for and giving to others can bring.

As you begin the next phase of your lives, remember the words of Mahatma Ghandi: "Live as if you were to die tomorrow. Learn as if you were to live forever." If you do these two things, you are sure to leave a magnificent legacy and make a positive difference in the world! Best of luck and come back to visit us! It has been our pleasure to have shared in and witnessed your growth- both academically and personally.

Mrs. Teri Bedard

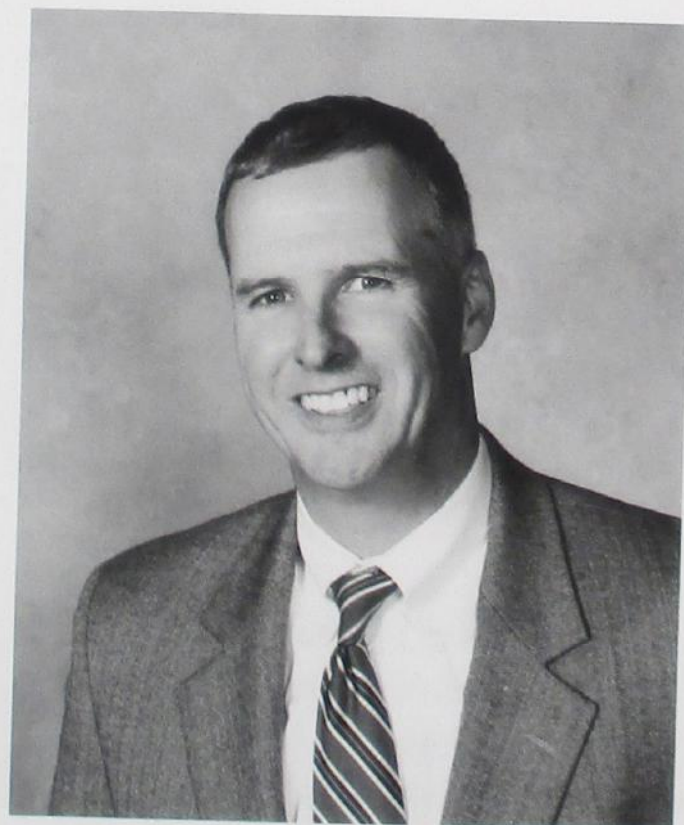

Mrs. Erika Harkey

To the Class of 2014,

Congratulations on your graduation from Millis High School. From day one you've had a huge impact on our school. You were the driving force behind the lip dub. You broke the record for Homecoming Banner Contest wins. You have been a constant force at Millis High School. You did not wait until senior year to be leaders in our school. Each year your contributions in the classroom, on the stage, and on the athletic field grew. Please know that during your four years here you amazed us as a group with your diverse talents. It has been my privilege working with you. Be proud of your accomplishments here. Good luck as you move on from Millis High School. Bring the lessons you've learned here to your next destination. You are going your separate ways but you will always share a common bond as Millis High School's Class of 2014. Good Luck!

Sincerely,
Robert Mullaney

family, loyalty, comradery. These are just a few of the words that come to mind when thinking about the Millis-Hopedale football team. Although the season didn't end the way we wanted, with a loss in the South Sectional Championship, it was still an unforgettable season. It wasn't about whether we won or lost (winning was awesome though), it was about a group of boys acting like men; a group of boys ready to go to war for one another, ready to die for one another, no matter what challenge came our way. We lost Taylor and Conny, but it didn't matter; we were still family and a family never gives up on each other. We fought to the very end, not just for a championship, but for each other. I couldn't be more proud of my team. It was an honor to be a Millis Mohawk. Family for life.

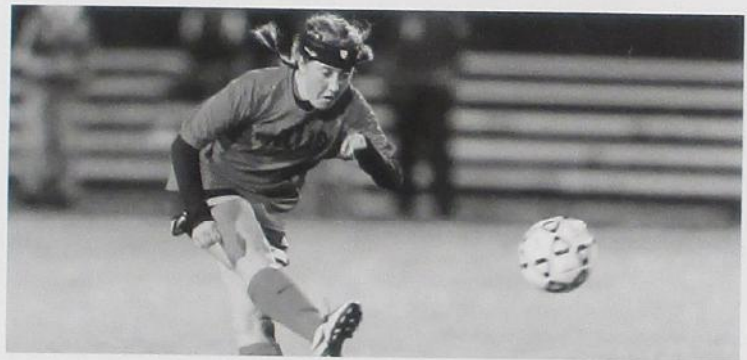

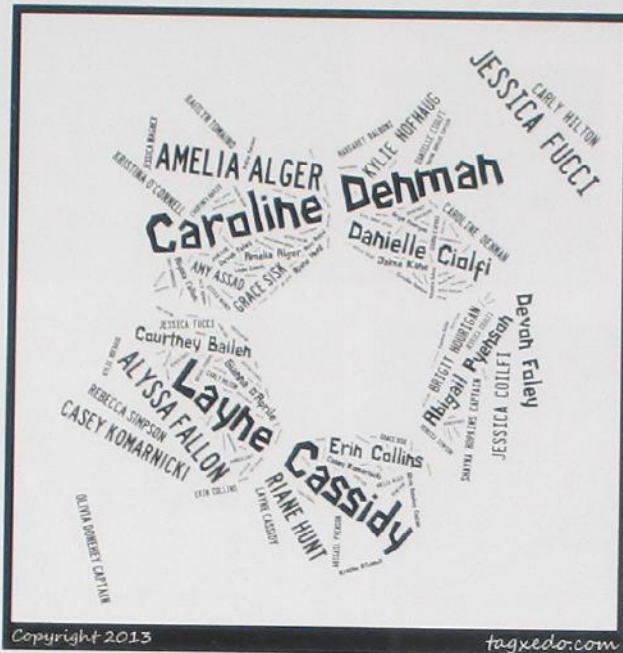

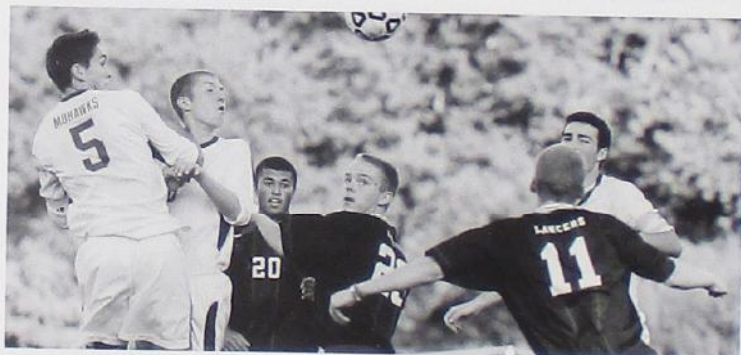

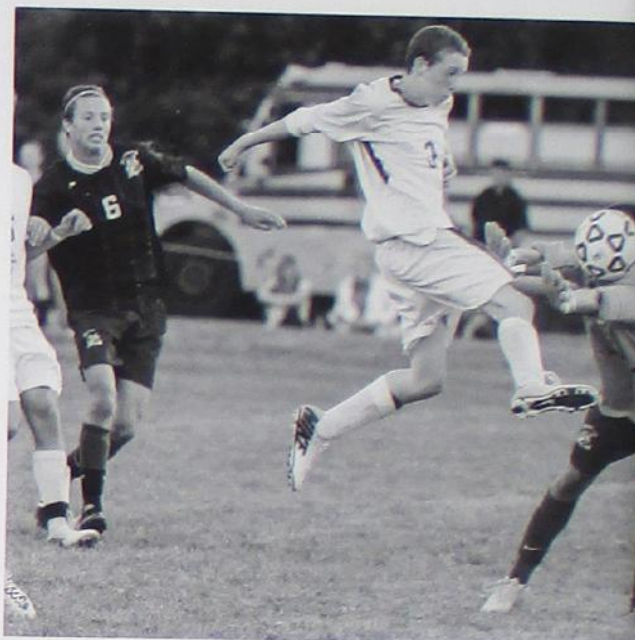

Last season, we only had 2 wins; but this season, in just the first three games, we already had more wins than the last! Our overall record was 10-8-3. We qualified for the state tournament in our first game of the season, which prepared us for the amazing season to come. We fought hard in our league and ended up qualifying for tournament by the number of wins we had. This was the first time in four years that the Girls Varsity Soccer made it to playoffs! We won our first two games and made it to the quarter-finals, where we played through an 80 minute game, two 15 minute overtime periods, and unfortunately lost in penalty kicks. MGVS is an amazing team and we will never forget the 2013 season.

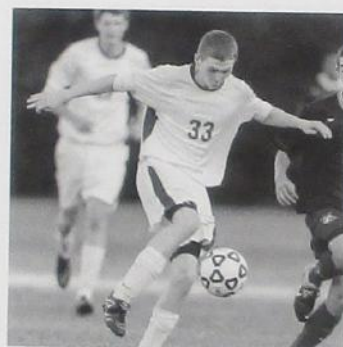

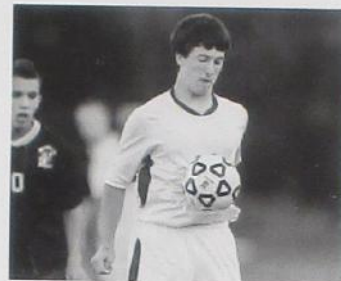

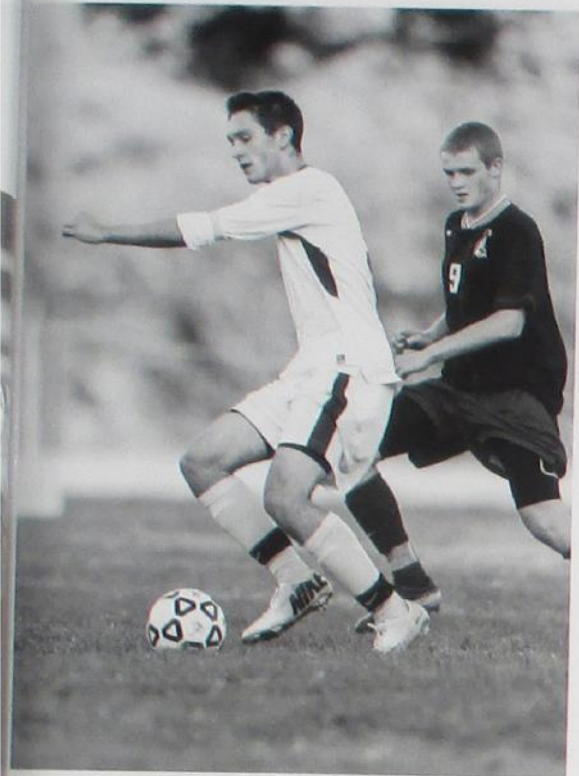

Girls' Soccer

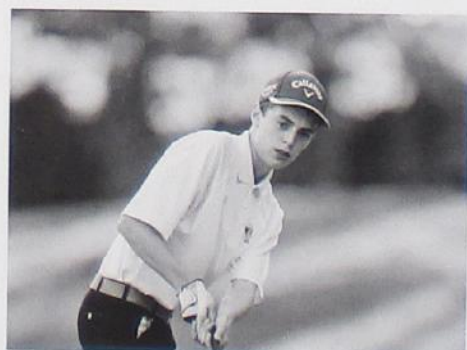

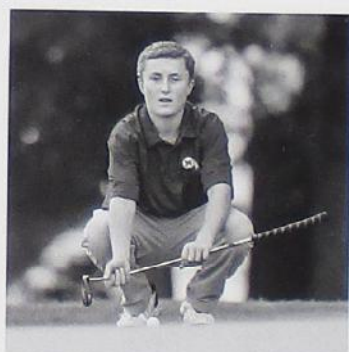

Copyright 2003 tagxedo.com

Playing a soccer season with only five seniors is never easy; especially if you're in one of the toughest leagues in the state. Despite these adversities, along with a few major injuries, the team showed incredible improvement throughout the season. We may have only won two games, but each game was close. The season ended on a high note with three TVL all-stars and the Sportsmanship Award. We believe that this season will serve as a great foundation for the Boys' Soccer Program for years to come.

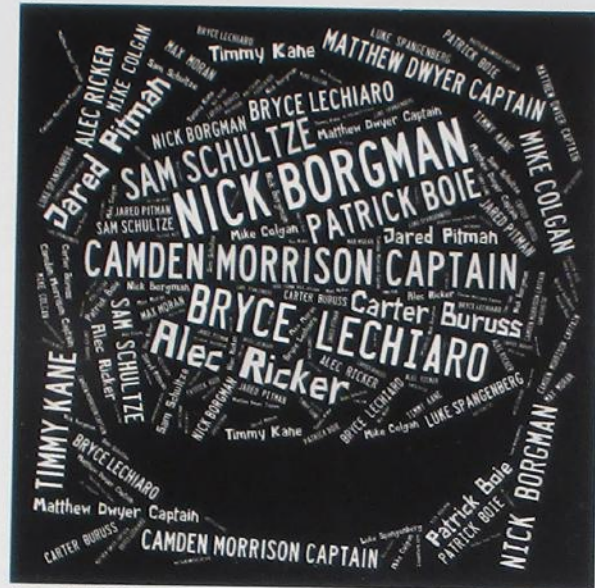

This golf season was full of push-ups and planks. We finished with one win and eighteen losses. We had a lot of fun, and we even had some social media interaction with Tiger Woods. Andy was a gem, as always. Bryce Lechiara was number one with tweets and practically a birdy! To say the least, it was a spectacular season.

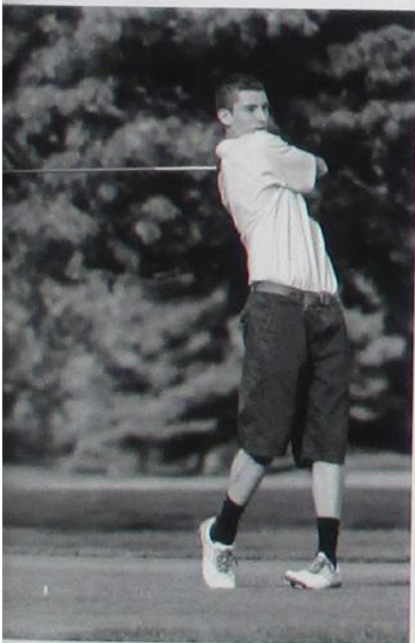

Golf

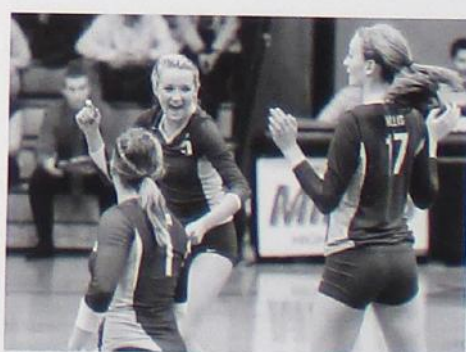

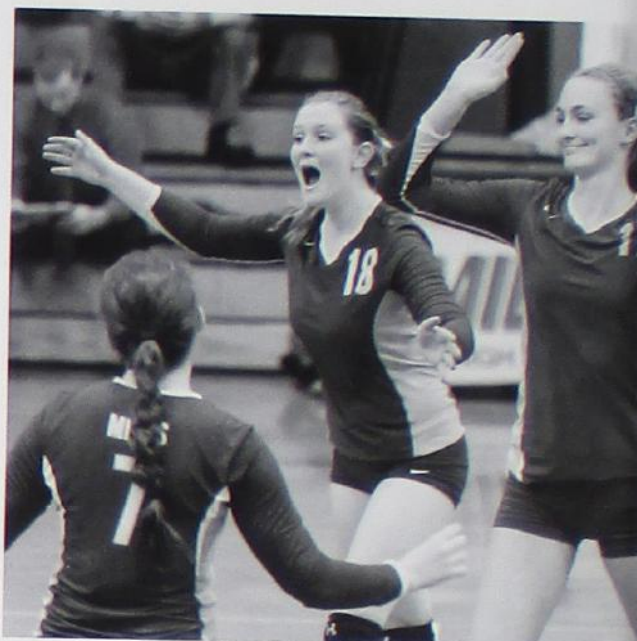

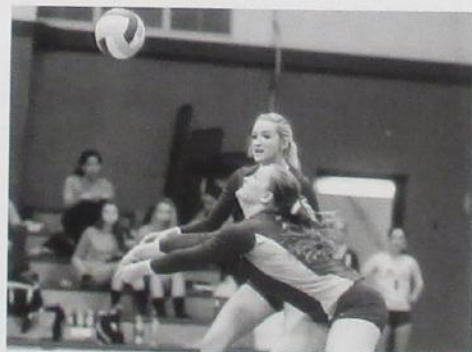

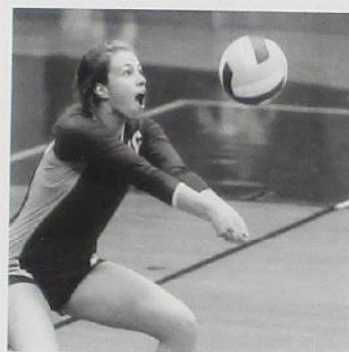

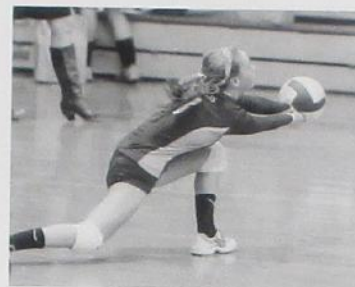

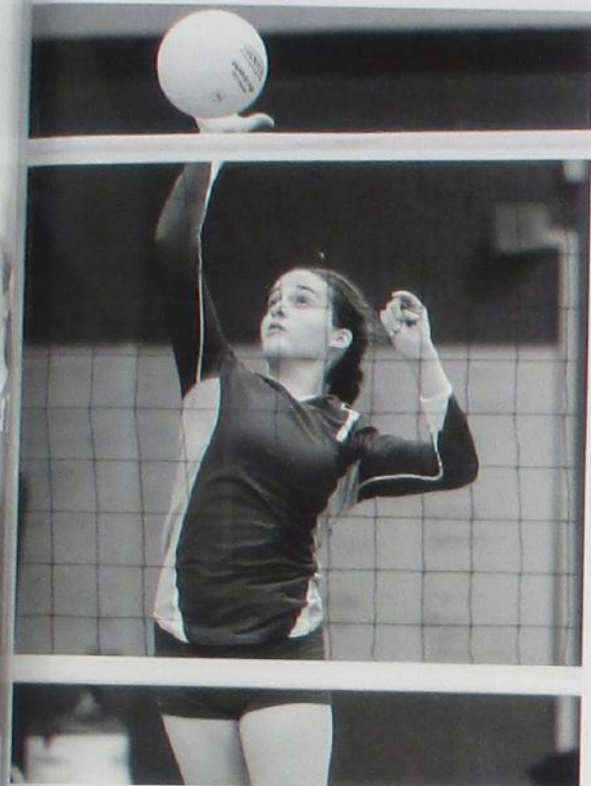

Copyright 2013

tagxedo.com

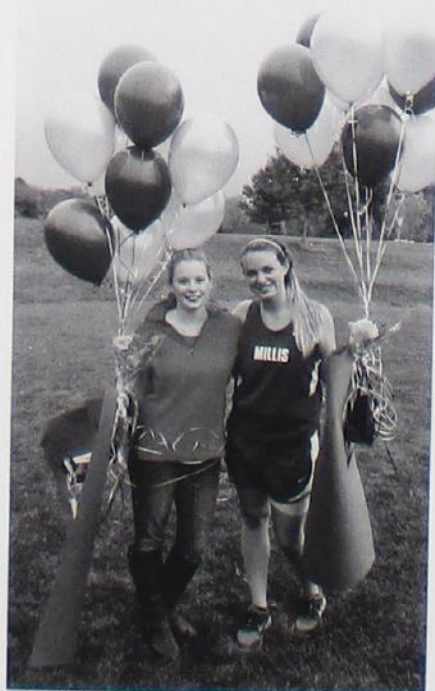

Girls' Volleyball

We had an amazing season, full of strong wins and great achievements. The Volleyball For a Cure event was a huge success! We had a .500 record in the TVL for the first time in a decade! And we beat Medway! With only eight players, the bond we formed made the season unforgettable.

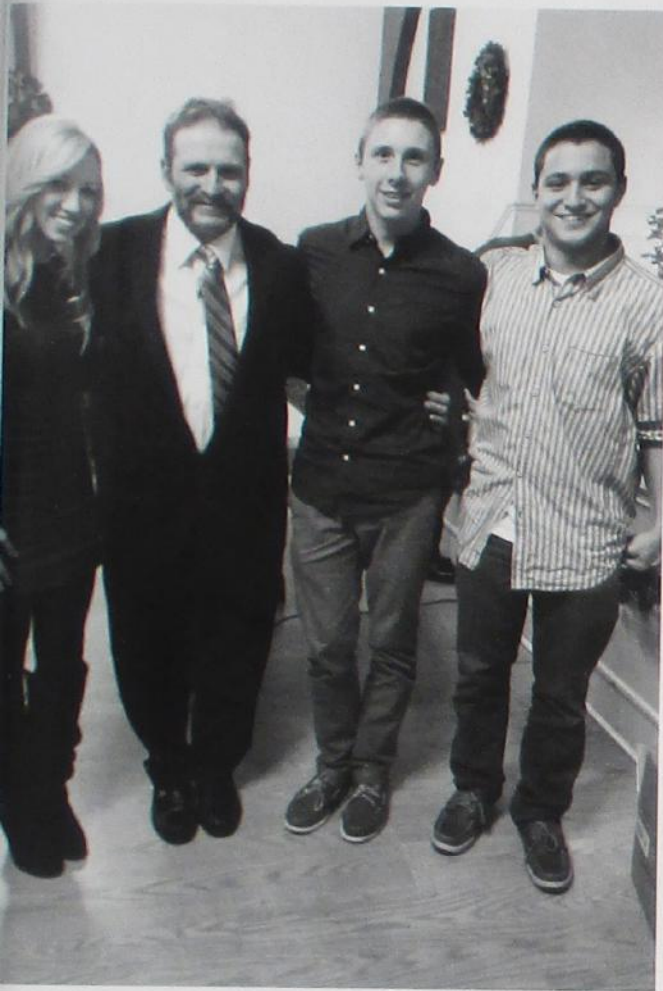

Hard work, Larry Olsen, and lots of running is what kept the Millis Cross Country team motivated each and every practice. This was the first time in over 25 years that Millis was able to get a Cross Country team together! With the help from the new coach, Ms. Conner, the girls were able to end their season with one win, as the boys continued strong throughout the season. Although we weren't the best in the league, we had the best sportsmanship. The tri-valley league will have lots of competition from the Millis Cross Country team in the future!

Special thanks to our team manager, Kendall Hyyti!

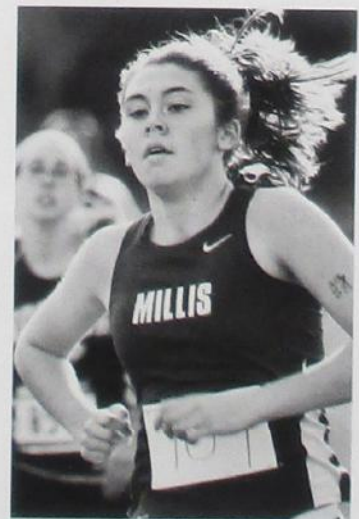

Cross Country

tagxedo.com

Boys' Basketball

This season was not defined by the 4-16 record, rather, it was defined by the pride in which it displayed. Losing so many games can be frustrating, but not once did the players turn their backs on each other. It is this kind of bond that stays with the players long after the season ends. It is also worth noting that there was not one technical foul called against the entire program. By remaining level-headed during the games, the players showed their pride in the team, the program, the school, and the town.

This season we went 500, being 10-10 and qualifying for tournament! Our team is made up of four seniors, five juniors, and two sophomores, and we all came together as one. Coming into the playoffs as the last seed after losing 4 coin tosses, it is safe to say we were the underdogs. However, we did not feel like that at all; we won all 6 games by an average margin of 17 points. It was one of the greatest moments of our high school career and I am really proud of everyone!

Millis Girls Varsity Basketball plays for blood. AIP.

Boys' Hockey

It was a tough season this year for a new team, but despite the many downs we had, we still managed to have even more great memories. It was an amazing season and we will all miss the bus rides to the games, putting Goldy's bag in the shower, Mike and Lil Rayray's rapping in the locker room, the unforgettable Grafton game, and Pink Monster. It was an amazing season with a great group of players.

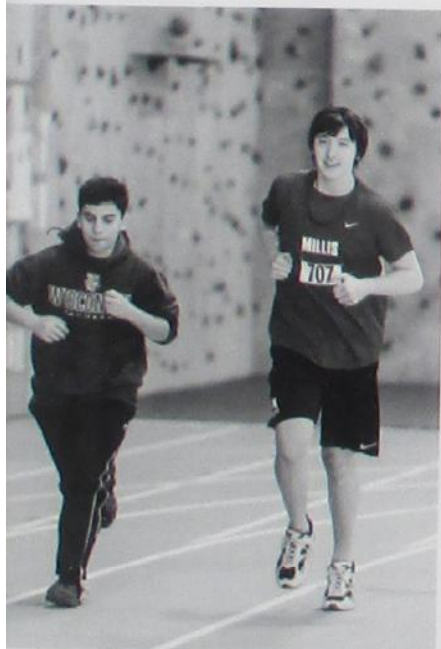

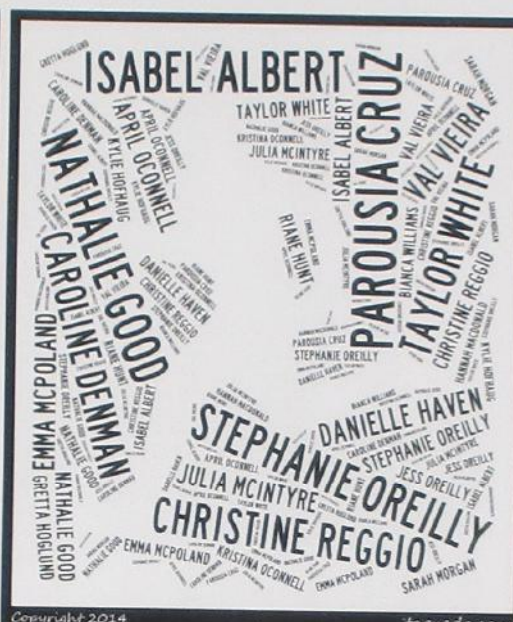

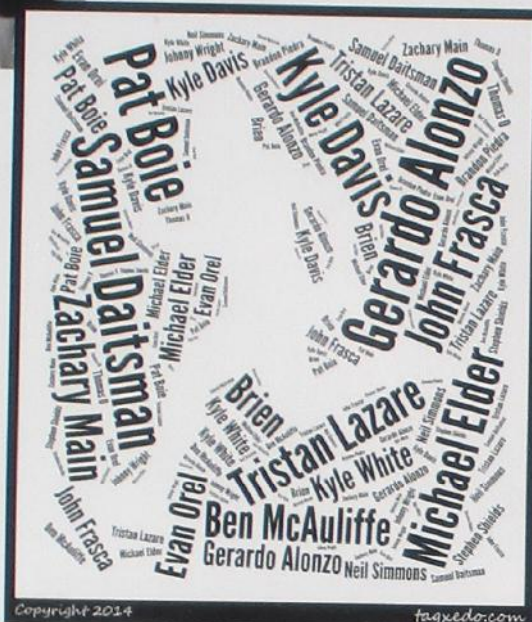

Indoor track was a journey for us this year. As the season advanced and we grew stronger, our group of dedicated runners molded into a close knit family of individuals that loved nothing more than lacing up and going for a jog. Knowing that next year the seniors and I will be moving on from high school makes my heart drop. However, my happiness is quickly restored when I remember that we contributed to something greater than ourselves. Now, as I run down the road at dusk while the golden sun crescents with the warm paved road, I wipe my brow and reminisce of the memories we've created.
